# **Ampinol RDP-CW**

**Novel single bath washing off agent  
for Polyester/Cotton blend**

## Advantages of Ampinol RDP

One bath washing off for both reactive and disperse dyes;

**Improved fastness properties**

Reduction clearing process can be eliminated; **Shorter time cycle**

Strong dispersing effect; **Superb washing off after reactive and disperse dyeing**

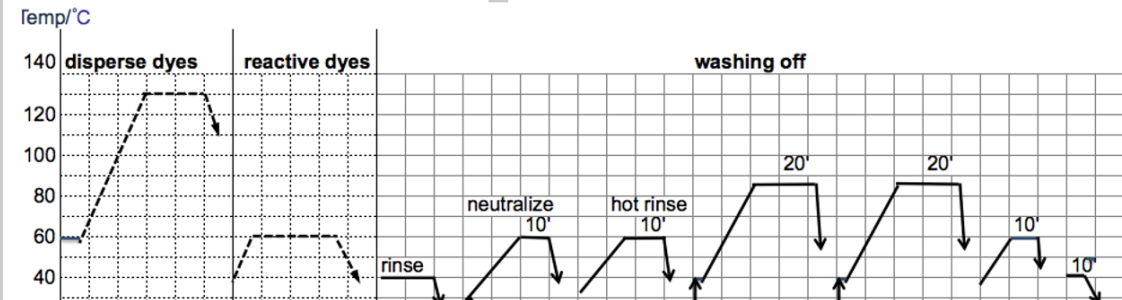

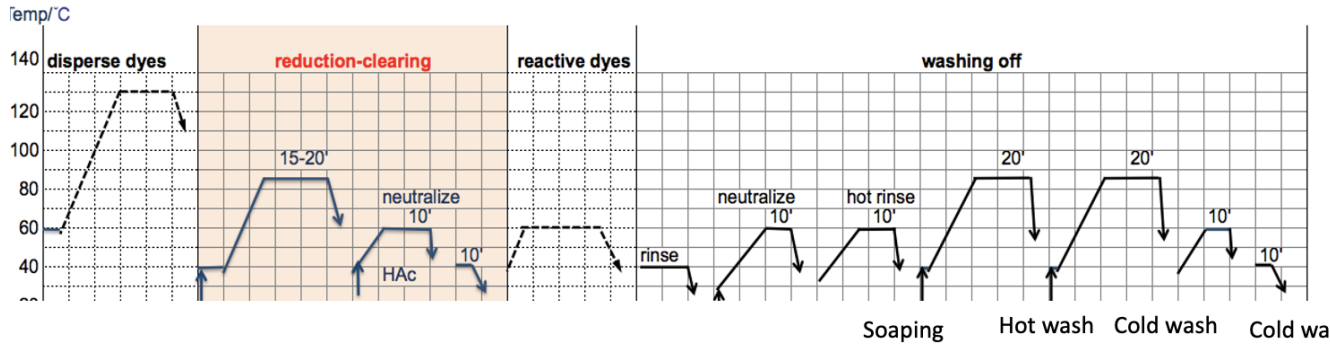

**Saves energy, water, time; Cost effective**

Reduces effluent load; **More environment friendly**
