Know us better to trust us better...

Vision

To achieve 5x growth in 5 years by becoming the preferred supplier of sustainable chemical solutions and the preferred employer in our industry. Leading globally in green chemistry and building a cleaner, smarter future for all.

Mission

To create safe, sustainable and high quality chemical & biological solutions that help industries grow responsibly, protect the environment and position us as a trusted global specialty chemicals' company.

The values we uphold

- Responsible Manufacturing Practices
- Quality
- Ethics
- Professionalism

Neochem Bio Solutions proudly Commits to recognizing the importance of sustainable practices in chemical manufacturing. Our pledge encompasses the following key areas

At Neochem Bio Solutions, we recognize the importance of operating in a responsible and sustainable manner. We are committed to upholding the highest environmental, social, and governance (ESG) standards throughout our business practices. This commitment is reflected in our ongoing efforts to:

- **Reduce our environmental footprint** by implementing sustainable practices, minimizing waste, and conserving resources.
- **Foster a positive social impact** by fostering diversity and inclusion within our workforce, supporting ethical sourcing, and engaging with the communities where we operate.
- **Maintain strong corporate governance** through ethical leadership, transparent reporting, and robust risk management practices.

Industries We Cater to

Over the past four decades, we have succeeded to achieve marvellously in our field of speciality chemicals, despite the fact that our business is of more than 200 products that cater to various industries. Today all of Neochem's products have made a mark in the Indian and global markets thereby acting as catalysts for growth of our customers.

TEXTILE & GARMENT

- Pre Treatment
- Dyeing
- Printing
- Finishing
- Functional Finishes
- Coatings
- Pigment Dispersants
- Sulfur Black & Colours

PERSONAL CARE

- Silicone Emulsions for Hair Care
- Vegan Ester Quats for Hair Care
- Anti Foams & Defoamers

HOME CARE

- Acrylic Polymers & Dispersants
- Specialty Surfactants
- Rheological Modifiers
- Thickeners
- Anti Foams & Defoamers
- Fabric Conditioners (Ester Quats), Softeners

INDUSTRIAL & INSTITUTIONAL CLEANERS

- Indoor Environment Solution
- Kitchen Hygiene Solution
- Laundry Solution

WATER TREATMENT

- Acrylic Polymers & Dispersants
- Anti Scalants for Boiler & Cooling Tower
- Waste Water Decolourant
- Flocculants
- Anti foams & Defoamers

CONSTRUCTION CHEMICALS

- Dispersants
- Acrylic Emulsions
- Aqueous Based Water Proofing Agents
- Admixture Additives
- Silicone Based Sealants

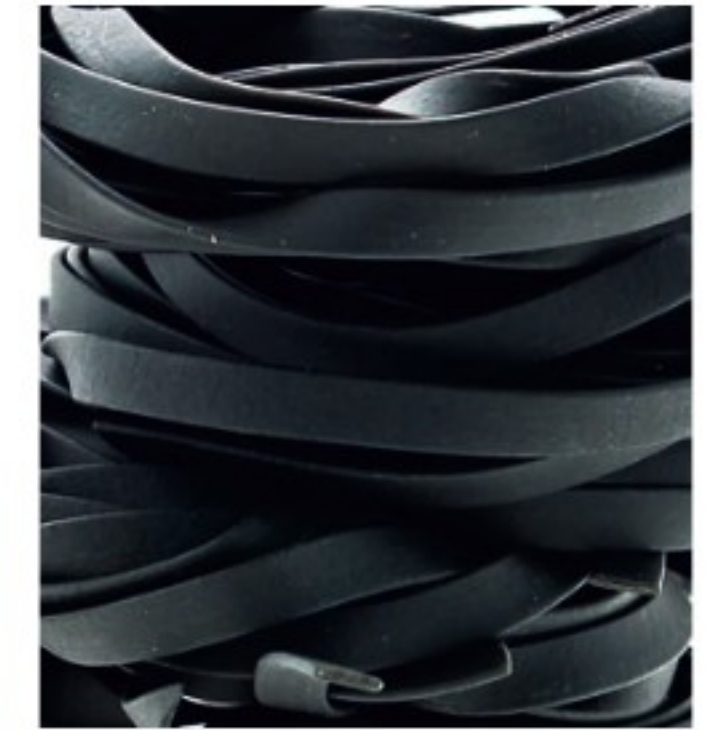

PAPER & PULP

- De-Inking Agents
- Bleach Stabilizers
- Anti Foams & Defoamers
- Acrylic Polymers & Dispersants
- Acrylic Emulsions
- Rheological Modifiers
- Pigment Dispersions
- Softeners

PAINTS & COATING

- Acrylic Emulsions
- Anti Foams & Defoamers
- Rheological Modifiers & Thickeners
- Acrylic Dispersants
- Wax Emulsions
- Stain & Water Repellants
- Other Specialty Additives

RUBBER

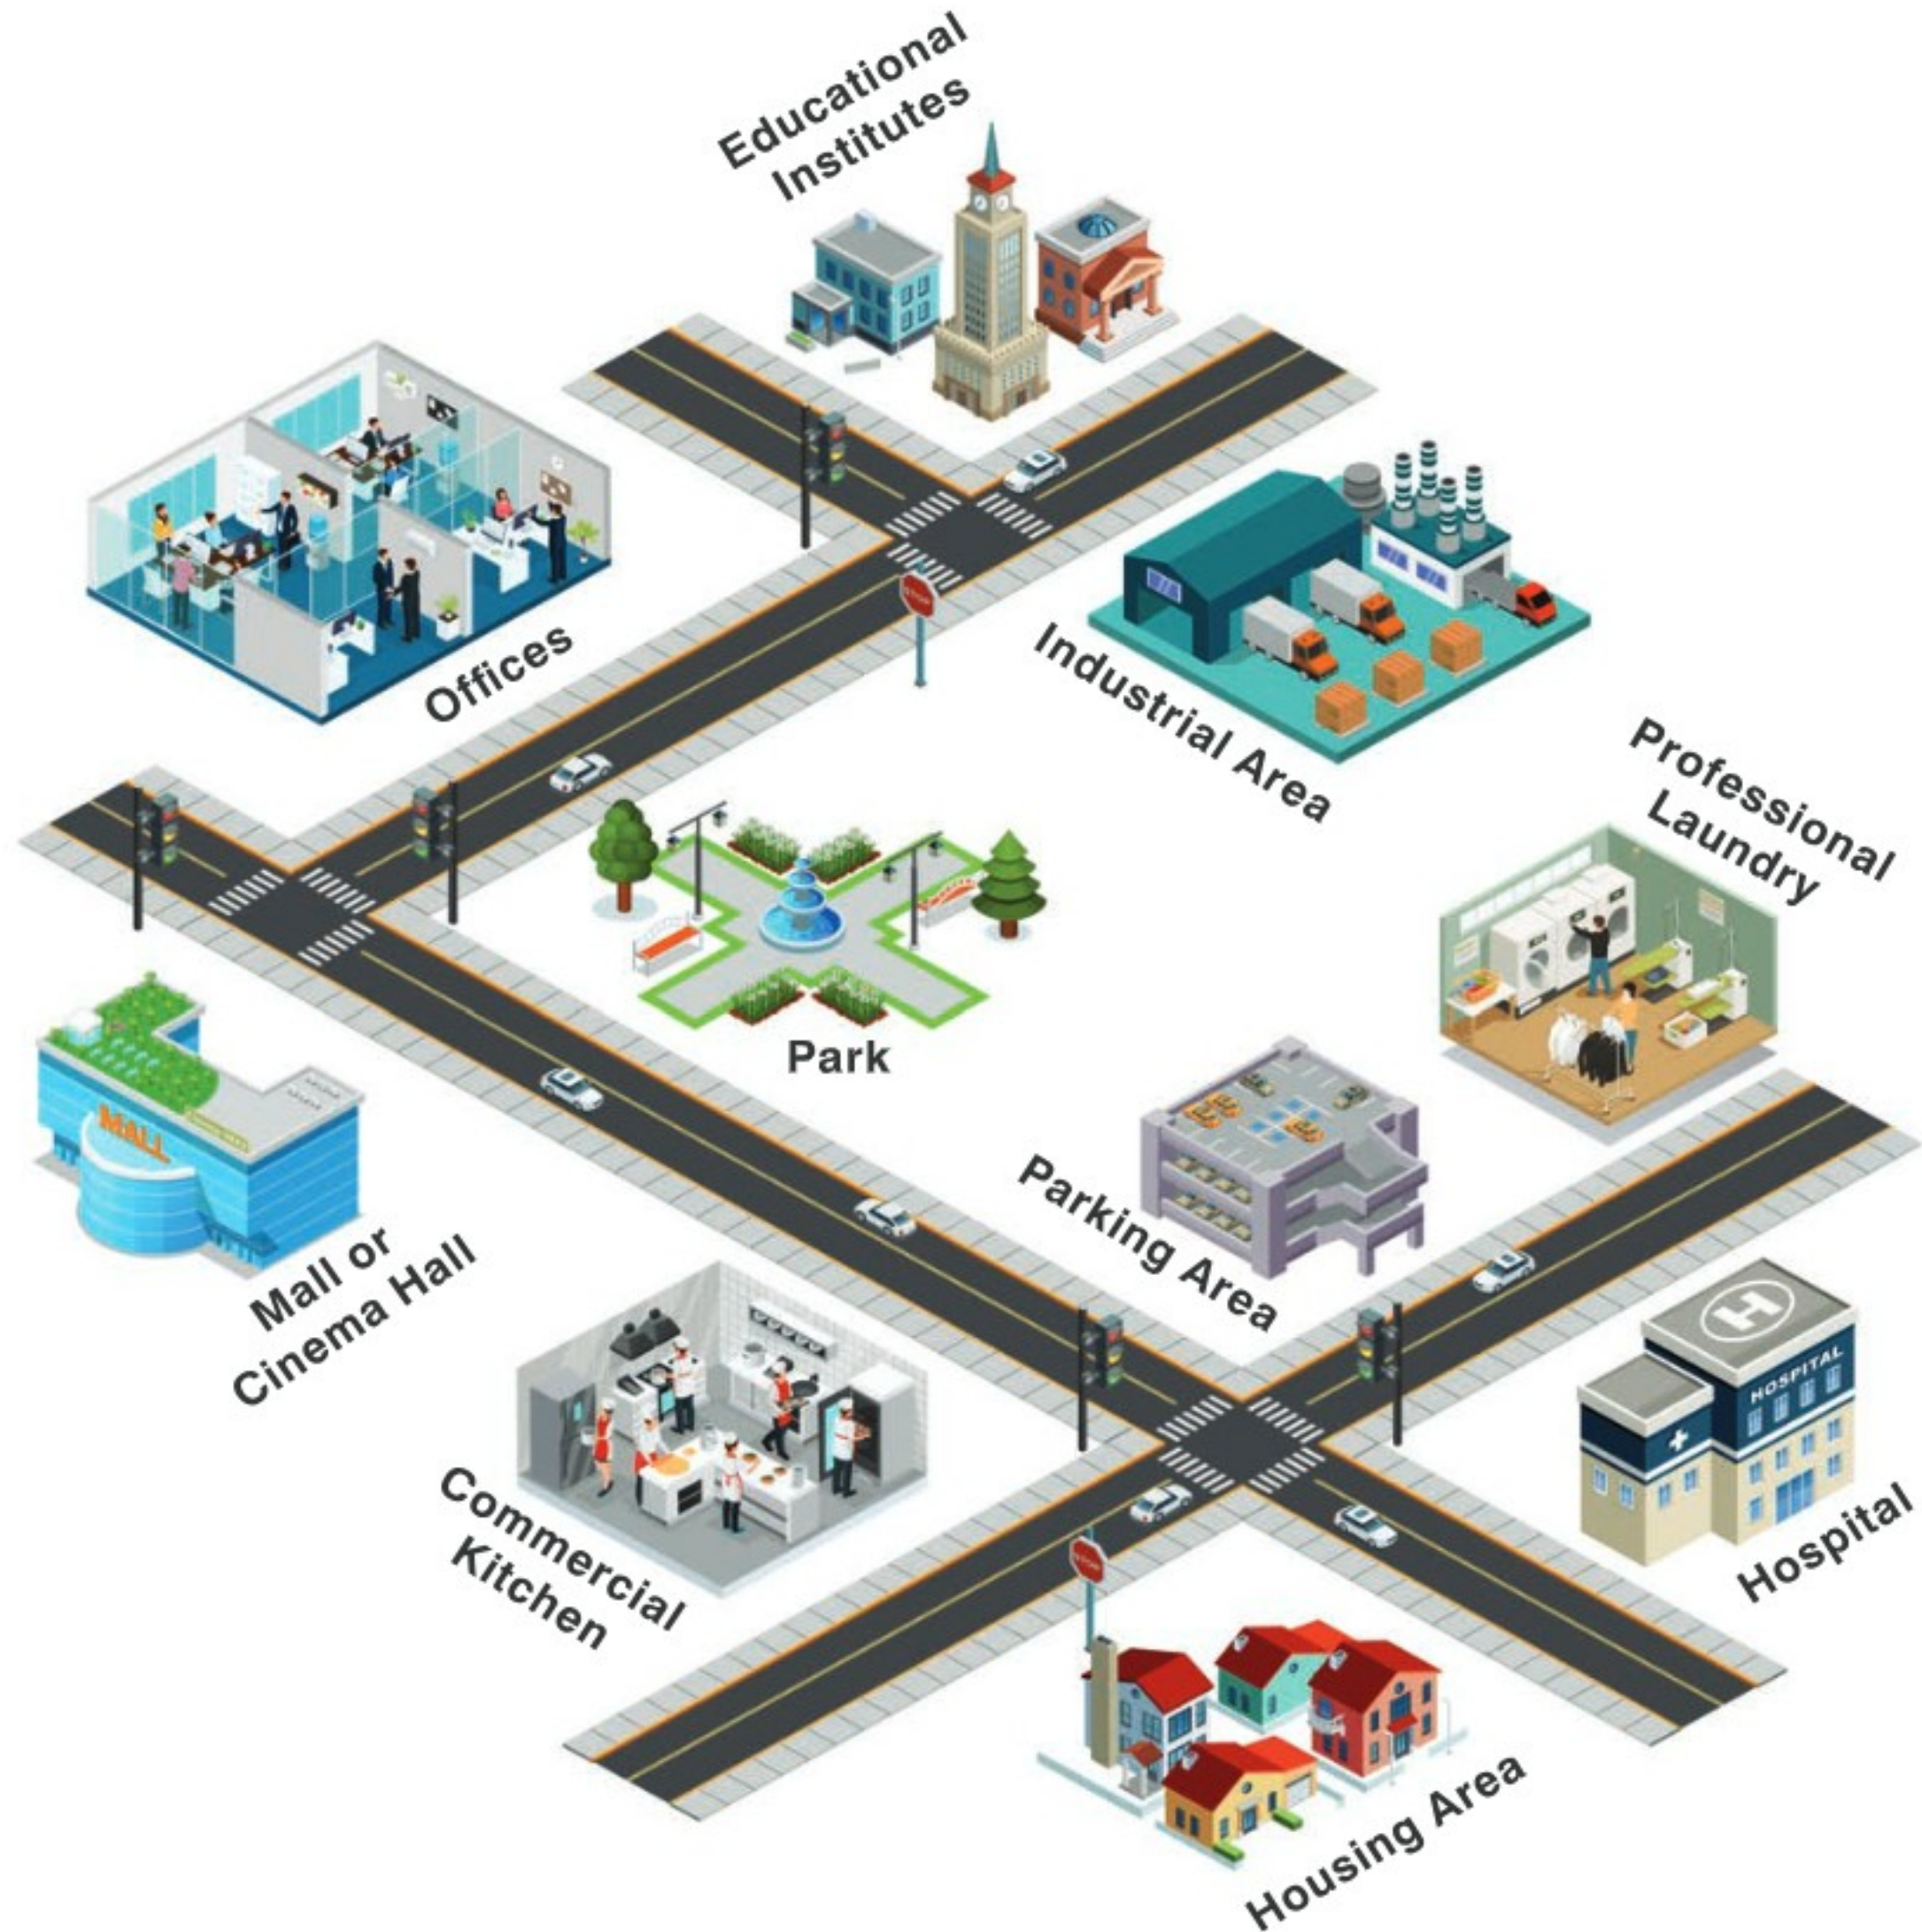

- Mould Release Agents
- Specialty Additives

SPECIALTY CHEMICALS FOR DYES & PIGMENTS

- De-Dusting Oil
- Anti Foams & Defoamers
- Dispersants

WE CATER TO...

Neochem delivers the statement with a **promising result**. We ensure the range of our products and services can meet your needs and requirements. Our products are designed to enhance the meaning of **eco-smart solutions** and sustain the quality in the long run.
